*This authorization is to remain in full force and effect until RRWA has received written notification of its termination in such time and in such manner as to afford RRWA and depository a reasonable opportunity to act on it. In no event shall termination be effective with respect to entries originated prior to receipt of notice of termination.*

\* Unfortunately, due to the additional hardware and software programming costs associated with providing these services, RRWA is charging a \$2.50 administration fee per payment transaction. However, due to the significant cost savings in bank charges when individuals choose ACH transactions (paying by checking or savings account), the \$2.50 administrative fee will be waived for those selecting ACH instead of credit cards. Additionally, credit cards will be limited to the following: Visa, Master Card, Discover and American Express.
